

HAPPY EASTER APRIL 12, 2020

A Word from Your Co Presidents:

Hello everyone! I miss each and every one of your smiling faces. I heard March was a fantastic Luncheon! You have a lot to be proud about raising and donating \$62,500!

We certainly never thought we would be put in this situation of having to “distance” ourselves from one another. What has inspired me is the number of YOU who have called to offer help to anyone who needs it. You have offered to get and deliver groceries, take people to appointments, offered just anything you can do to help. The bright news is, it seems like everyone is doing well. No one called for support probably because YOU got to them first!! What a wonderful organization Neighbors and Friends!! Thank you for your caring hearts and willing bodies. I so appreciate each and everyone of you.

If you do see a need arise for yourself or a fellow member, please call me.

**Inspiration from Cindy Gloyna
Co-President**

Remember Ladies: Everyone goes through hard times and handles the situation differently. People cope in different ways but that is what makes us who we are. Right now we're all going through a hard time.

It is easier to say than to believe, but everything always gets better. Try to think more positively about the situation rather than to get caught up in the moment thinking that nothing will ever get better. Positive thinking is not just a mindset, it will make a difference in the way you act, think, and help others. When in doubt, just think on the bright side.

Surviving a difficult time is truly a choice. It is the most difficult times in our lives that truly test our faith. Don't forget to look for inspiration. It's all around you. Pray. Call a family member or friend; keep in touch! As an added bonus, we're here to help. Just reach out to us!

We miss all of you and pray you're staying healthy! Hopefully, we'll allbe back together soon and WHAT

PARTY THAT WILL BE!!!

Membership Luncheon Minutes

March 9, 2020

Neighbors and Friends of Table Rock Lake met for their monthly luncheon at Our Lady of the Cove Catholic Church Hall in Kimberling City. This meeting was called to order by Cindy Gloyne, Co-President. New to our meeting was the exceptional use of the large LCD projector/screen to share past events, remind

membership about upcoming events as well as display the NFTRL prayer for those sitting closer to the screen. Members joined together to recite the NFTRL prayer.

MEET OUR GUESTS: 7 guests stood and introduced themselves sharing their names, "how they found us", and "where they were from". Each of our guests received a copy of our tri-fold and an invitation to the next "New Member Orientation" on May 14, 2020.

PROGRAM:

Cindy Gloyne remarked that our program, today, is "what we're all about", service to our community, for today, is the presentation of checks by our Service Committee to those agencies that won your votes. But first, she introduced Christy Donner and Kathy Hontz, Co-Vice Presidents of Ways & Means to say a few words: We want to thank all those who helped with Sponsorship, The Twilight Auction, The Home Tour, The Galleria, The Marketplace, The Café, and The Concert Series. We want to thank our home owners without whom none of this would be possible; in attendance, today, are Mike and Mary Walker along with Judy and Beau Pickering. We also want to thank Duane Falk, CEO and representative from Table Rock Bank, a platinum sponsor of the Home Tour.

SERVICE COMMITTEE: Connie Nolan, Darlene Norris and Vickie Smith thanked their appropriations committee for their guidance as well as the Neighbors and Friends membership who made all of this possible.
