**A Word from outgoing Co-President
Denise Martin**

Hello dear members of Neighbors and Friends of Table Rock Lake, Wow, what a month we have all just experienced. We surely never saw this Covid-19 thing coming! It has affected us all in different ways. Even though we were not able to meet physically in April and May I hope you were able to feel the sense of community that is so strong in our organization. I never stopped thinking of you and our future.

Many things are certainly just unknown at this time. Your new Board of Directors will take their office on June 1, 2020. I am sure they would appreciate any suggestions you have especially about our fund raising efforts going forward.

Our whole premise as a group is “togetherness” so We will face some challenges but I have faith that we are a strong group of committed women and we will find a way to remain relevant as a

team and for the community we serve.

I want to thank you for all the support you gave me the last 2 years. Serving as your Co-President was one of the greatest joys in my life. I get to remain on the Board for one more year as a non-voting advisor. I have great confidence in your new Co-Presidents Cindy Gloyna and Anna Chance and the entire new Board.
