## Letter from our Presidents

Welcome to your **TWENTY FIRST** year of **NEIGHBORS AND FRIENDS OF TABLE ROCK LAKE...** we are so excited to serve as your Co-Presidents for 2022 -2023. Our plan to bring a lot of helpful new things to the group this year and of course continue the amazing traditions that are already in place...

**N - NEW** – Things that you can expect to see that are new to NFTRL this year...is moving more forward in technology. We are ecstatic to say that we will have our first ever, much needed, CRM (Customer Relationship Management), a fancy word for a database for storing all our membership information in a 1 stop, easy to use, place. No more EXCEL spreadsheets, YAY!!

**F – FUN** – Interest Groups are going strong and each year we continue to add new ones to the list. If you have something you are passionate about you should talk to our Interest Group Co-Chairs about starting a new one. As we work to make every luncheon fun, we hope you are enjoying the Table Chat Segments, the Mix and Mingle Tables, Attendance Drawings, and Table Décor.

**T – TEAMWORK** – We wouldn't be where we are now without our amazing team of ladies who are on the Board, leading our Interest Groups, serving on committees, volunteering their time for fundraising events and more. If you aren't on a team yet and would like to join, please reach out to us at [President@NFTRL.org](mailto:President@NFTRL.org) and we will get you connected with someone who will appreciate your talents.

**R – RELATIONSHIPS** – Our organization is built on relationships, as we state in our prayer, "there are no strangers, only friends who have not met". Whether you are new to NFTRL or have been a member for years, we can always strengthen our relationships with each other, and we're sure we can make room for a few new friends...

**L – LUNCHESES** – We hope that you enjoy your luncheons each month, your Programs committee works very hard to bring you new speakers and enjoyable entertainment. And the Knights do an amazing job of putting together tasty lunches for us to enjoy with each other while we socialize.

We hope that you enjoy this year as much as we plan on enjoying it. We look forward to working with and having fun with all of you!

Denise Martin and Natalie Miller
