Letter from the Past President

Neighbors and Friends,

I hope you are all enjoying our lush season on our wonderful lake that gives us gorgeous views, as well as boating, fishing, and swimming. Table Rock is a magnet that provides opportunities to gather our families and friends. That is why the “founding mothers” of NFTRL sensibly decided to pause the membership meetings from May until September. During the summer, we are still meeting through our favorite Interest Groups, and our Board remains busy planning for the future.

As I turn over my role as co-president to the very capable Natalie Miller, I want to thank all of you for the time and effort you have given to our NFTRL these past two years. Special thanks for helping me, Denise, and Cindy be able to keep our organization functioning and lead it to, hopefully, greater support and valuable connections for our community. We wouldn't be where we are today without you.

Our group of women is unique. We are a bunch of women with expertise, determination, and generosity that provides our community with a great deal of support. If this appeals to you, you are welcome to join us!

"Never doubt that a small group of thoughtful, concerned citizens can change the world. Indeed it is the only thing that ever has." --Margaret Mead

Training Session for new board members

The May 23 Board meeting accomplished the transition of documents and procedures from our retiring board members to our new leaders.

Denise Martin presented a thorough and inspiring over-view of NFTRL's purpose and board members' responsibilities. We owe appreciation to the retiring leaders who have served us for the past two-three years: Lynn Behling, Bea Seybert, Linda Grindle, Regina Blair, Julie Robinson, and Darlene Norris.

Thank you to all of the members who volunteer their time and talent on all of our sub-committees to help make our annual fundraisers such a success.
